Quest Science Center Announces 5th Annual Tri-Valley Innovation Fair

LIVERMORE, Calif. (January 24, 2023)—Quest Science Center is excited to announce the 5th Annual Tri-Valley Innovation Fair. The event will be held at the Alameda County Fairgrounds on Saturday, April 15, 2023. Admission to the Tri-Valley Innovation Fair (Fair) is free to the public and is open from 10AM to 5PM.

The Fair is a hands-on learning event for all ages which connects people to the excitement of science, engineering, and technology all around us. An array of exhibitors will showcase some of our region's most diverse accomplishments and provide everyone with chances to explore, experiment, and ask questions. This event provides attendees the opportunity to meet the people who make innovation happen at our local companies, community, and educational organizations. The Fair takes place indoors and outdoors and will feature special demonstrations throughout the day.

Last year's amazing event attracted over 60 exhibitors and 2500 visitors enjoying their various hands-on activities. This year's event, also held at the Alameda County Fairgrounds, is sure to attract many more. The 4th Annual program details and photos are available by visiting <https://quest-science.org/2022-innovation-fair/>.

"We invite you to come to the Tri-Valley Innovation Fair to experience first-hand the many fascinating companies we have right here in the region where we live", says Caleb Cheung, Quest Chief Learning Officer, "Various innovation fields such as biotechnology, healthcare, robotics, advanced manufacturing, computing, transportation, agriculture technology and energy will be featured at the Fair".

This event is entirely supported by local volunteers, sponsors, and organizations. We invite you to join the growing list of contributors to the Tri-Valley Innovation Fair. Registration is now available for exhibitors, sponsors, and volunteers. To learn more about ways in which you can get involved, visit <https://quest-science.org/innovation-fair/>.

About Quest Science Center

The mission of Quest Science Center is to connect everyone in the Tri-Valley and beyond to the science in our lives and region. Quest offers inclusive and engaging experiences for people of all ages and backgrounds that inspire excitement in the exploration of science and the skills to thrive to today's world. Founded in 2018, Quest Science Center is a 501(c)(3) nonprofit (82-4865787). The City of Livermore has agreed to include land for this new science center in Stockmen's Park as an element of its downtown redevelopment plan. The name speaks to being on a journey where we Question, Understand and Explore – Science & Technology. <https://quest-science.org/>.
